

Seven Day Challenge Report Card

Your country has just suffered a severe terrorist attack. A series of nuclear bombs were fired off simultaneously, causing an Electromagnetic Pulse (EMP). This has rendered all electricity and electrical devices in your entire country to be useless. This includes lights, cell phones, computers, vehicles with electrical ignitions, and most municipal water pumps. Today is going to be rough.

Daily Score Card

Question	Score
Did you read today's challenge? (1 point yes, 0 points no)	
Did you complete today's tasks? (10 points for all, 5 points for some, 0 points for none)
