

Seven Day Challenge Report Card

Your area just got struck with severe weather conditions. Depending on where you live this could be a blizzard, tornado, hurricane, etc. The power lines are out and there is a problem with the natural gas supply. Luckily, you still have running water though. Keep you and your family warm, fed, and entertained at home today because you are NOT going out in these conditions.

Daily Score Card

Question	Score
Did you read today's challenge? (1 point yes, 0 points no)
