

Dear Sweetie,

Since I know how hard it can be for you to find the perfect gift, I decided to make it easy this year.

Rather than "hint" at it and hope for the best, I'm going to lay it out for you!"

I want the Food Storage Made Easy Downloadable Binder. Since it's an ebook, you'll get it instantly so there is still time...

The ebook comes with instructions on how to assemble the binder.

Now if you REALLY love me I know you'll stand in line at a store with a PINK binder in hand to put this together for me. I always say homemade gifts are more thoughtful...

Anyways, good luck!
